---

One of the attractions of the Don Carlos Resort is a lush tropical garden of 40,000 m<sup>2</sup> with a variety of flowers, plants, cactus and trees maintained with great care.

In an unparalleled framework for the development activities of the spirit the hotel offers a wellness area, fitness center and outdoor swimming pools.

You will also find a variety of restaurants depending on the season. Our guests always enjoy the great service of our staff and the luxurious amenities of a 5 star.
